

Pinewood Senior Men's Section Golf 2019

If you are at least 55 years of age during the present golf season, you can become a member of the Senior Men's Section. The emphasis of the Senior Men's Section is on our **enjoying ourselves and having positive interactions with other golfers.**

The **registration fee of \$50.00** for 2019 pays for weekly prizes during the season and the Closing Tournament Banquet

If you choose not to become a member of the Pinewood Golf Course, you can still join the Senior Men's Section by paying the Pinewood golf fees for each round you play in addition to the registration fee (NOTE: If you golf at this course more than 29 times a year, it is cheaper to become a Pinewood member.)

We golf every Wednesday morning from the first week of May until the third Wednesday of September. There are about 20 weeks of scheduled golf. A weekly sign-up sheet is posted on the Senior Men's board in the Pinecone member's lounge allowing you to choose your preferred tee time and to allow the draw-master time to prepare the schedule for the next week. Every attempt is made to create new groups every week so that you can interact with more members.

There are weekly prizes for first and second low gross and first and second low net for each flight. There is a prize for closest to the pin on hole 18. A member is allowed to win 3 weekly prizes during the season excluding Closest to the Pin. In order to establish the net scores, your handicap will be required. This can be established by entering your scores into the Pinewood computer each time you play. Ask the service person at the check-in desk if you require help.

EVENTS

There are a number of events during the season as shown on the golf schedule for 2019.

A **Member/Guest Event** is being organized by our Pro, Scott Hatchard for the first

Wednesday in June. This will be an opportunity for each member to bring a guest to experience how the Men's Section operates. Guest's will be charged \$30 for the golf and luncheon and Members will be charged \$10 for lunch to be held in the Pinecone Room.

A **4-man Best Ball Scramble** is held on the first Wednesday of each month starting in July, with an 8:00 AM shotgun start. Each "team" is given an assigned hole for the shot-gun start. There is a \$10 charge applied at that time if you wish to partake of a luncheon and social to follow the round in the Pinecone room.

Everyone is encouraged to stay for lunch.

A **3--Club Contest**: One week during the season, we golf using only 3 clubs. The putter is considered a club. There are no prizes for this round.

The **Section Championship** for **The Bob Barton Memorial Trophy**.

The **Closing Event** playing for **The Jack Simpson Memorial Trophy**.

End page one

The **Bob Barton Memorial Championship**:

This is a 2 eek event. The qualifying round is on the second Wednesday of August. The championship (8:00 am shotgun start) is the 3rd Wednesday of August.

There is a championship flight and several additional flights of 4-8 players per flight based on the net scores in the qualifying round. There are 3 prizes per flight based on the total score of the 2 rounds. The championship round is followed by a buffet meal in the Ramada Founders Room where prizes are awarded. Interested members pay a fee which covers the cost of the meal.

Below is the 2018 Bob Barton Champion, James Atkins with President Bob Lewis and Pinewood Pro, Scott Hatchard.

Closing Event: Playing for The Jack Simpson Memorial Trophy

On the third Wednesday of September, the Season Closing round starts with an 8:00 AM shotgun followed by a buffet meal in the Ramada Founders Room. This meal is paid for in your initial fee of \$50.

In order to show our appreciation for their contributions, our sponsors are invited to this event.

During the year, we have met a great bunch of men and enjoyed many rounds of golf.

Jack Simpson, at the young age of 96, walked the course and enjoyed his golf. In his honour, Jack's family has donated a plaque and a prize for the winner of this event. This is our 2018 Jack Simpson Trophy winner, Carmen Perotta.

Our sponsors provide prizes for the best net scores.

Following the meal, a short business meeting takes place where elections for the executive take place and reports are presented to the members.
